

Le Certifiant

Obtain an official French certification!

At Etoile Institut, all students enrolled in Le Certifiant program take at the end of their training the TCF (Test de Connaissance du Français).

The TCF is the French test of the French Ministry of Education. Like the TOEIC for English, the TCF evaluates the student's general French skills and positions him or her according to the 6 levels of the scale defined by the Common European Framework of Reference for Languages (A1, A2, B1, B2, C1, C2). The TCF results is valid for 2 years.

Throughout the course, the student is prepared for this exam, which he or she will take in our exam center. Whether for academic or professional reasons, the student's progress is validated by an official certification recognized by French universities that accept students who have reached the B2 level.
