

La Prépa is the safe way to succeed in your studies in France.

In a 24-week course, students focus on language, methodology and skills related to their field of specialization in order to enter a top school. They develop a foundation of key knowledge to activate their potential and give themselves the means to succeed in their studies. At the end of the program, students are equipped to continue their studies at a university or in the famous Grandes Ecoles.

This higher-education preparation curriculum, taught by our expert partner Quantum Pathway Academy, provides the necessary pre-requisites for further studies in France.
