

All-in-one Program

French & Photography

A linguistic and visual immersion in the heart of Paris!

During the summer, **Etoile Institut and Spéos** offer you the opportunity **to study French and learn photography**. According to your wishes, **you choose the photography workshop(s) that interest you**. Ready to start a new language or perfect your French while taking great photos in one of the world's most inspiring cities?

The various workshops offered by this expert partner cover all the major aspects of modern photography: theory and practice, from past to present.

Key points of the program

1

A program in partnership with a renowned photography school: For 35 years, Spéos has been the benchmark school for the photography profession and the leader in higher education for professional photography in France. Internationally recognized, it has been ranked in the Top 5 of the world's best photography schools for several years by several independent rankings.

2

A program for students of all levels.

Beginner, elementary, intermediate, advanced. For beginner students, an understanding of English will be necessary to attend the photography workshop.

3

A combined program

French courses

15 hours of general French
+ 5 hours of independent study on our online platform per week

Photography workshop

15h workshop per week to choose from: photojournalism-documentary, introduction to studio or introduction to advertising photography

4

A fixed-date, multilingual summer program

- Photojournalism-Documentary: workshop in English
- Introduction to studio photography: workshop in English or French
- Introduction to advertising photography: workshop in English or French.

General French

Au-Pair
