

Certification

TCF-TEF Preparation

Ensure your success.

Do you need to take a TCF or TEF exam and want to prepare for it? **Maximize your chances of success by following the preparation course offered by Etoile Institut!**

With our many years of experience as an **approved exam center**, our team dedicated to French language certification will support you throughout your training, right up to the final exam, which you will take at our exam center.

Three formulas to best suit your profile

Short preparation

A 3-hour training course to familiarize you with the exam

Online preparation

Access comprehensive content at your own pace with 20 hours of resources

Private lessons

A fully personalized training course of 8, 12 or 20 hours, with support from one of our teacher-examiners

Certification

Exam Center

To validate your results in French

All Etoile Institut students can take **an official certification in French language** at the end of their course **in our in-house approved examination center**.

Our center welcomes candidates to take a wide range of exams designed by France Éducation International, a public operator for the Ministry, as well as exams developed by the Paris Île-de-France Chamber of Commerce and Industry.

ÈV@LANG

An online test with immediate results

Included for stays of 1 to 4 weeks

Tout Public

A certification valid for two years, useful for your studies or career in France

Included for stays of 5 weeks and more

Integration, Residence et Nationalité

An official certification valid for two years to prove your level of French to the prefectures.

Civic exam

An official exam, designed by the French Ministry of the Interior, which assesses your knowledge of French society, its values, and how it works.

DPF

A lifetime diploma that certifies your ability to work in French in your field of activity.
